

## Association of Lutheran High Schools Online (ALHS Online)

Offering quality online courses taught from a scriptural perspective!

### ALHS Online Mission:

The mission of ALHS Online is to develop and offer online courses taught from a scriptural perspective which empower WELS schools to better serve their students through expanded curricular offerings.

Through ALHSO, WELS/ELS schools can share quality online courses and qualified instructors, thus strengthening each school's individual program of instruction and curriculum. Public and home school students can also enroll in courses, such as the series of religion courses, to supplement their education.

### ALHS Online Goals:

- Partner with WELS/ELS schools to offer quality online courses taught from a scriptural perspective.
- Develop a curriculum that meets the needs of WELS/ELS schools.
- Assemble a cadre of WELS/ELS teachers qualified to teach online.
- Offer a series of religion courses for WELS/ELS students enrolled in public schools.
- Develop a cost-effective and self-sustaining high quality program.
- Foster continuous improvement through stakeholder input and feedback.
